

As you may be aware, we have a website for Combat Martial Arts, which also covers information about the International Kempo Ju-Jitsu Union, Kyusho Jitsu Europe, and Bury Traditional Judo; www.cmaryu.com. This website is intended to act as an information resource for our current students and advertising for potential future students.

The website has many sections covering information on the system, details about seminars to add to your calendar, and much more. To effectively promote our club, we will also be including photos and videos of seminars and training sessions (including grading segments) on the website. This may include images of you so we would like to obtain your permission to use these images on the website. We hope you agree that this will be a good way for us to share information about our club and hopefully garner interest and potentially new students.

Please tick the appropriate box below and sign and return this form to Shihan Court
